INTRODUCTION TO NINE

1. The purpose of the booklets known as THE NINE BALL is LIBERATION INFORMATION for Wooly-Haired People called THE ETHIOPIAN RACE. We, the scientists of the Ethiopian Race, know that whatever Ethiopians do for SUCCESSFUL liberation must be done intelligently meaning, the steps we take must be REASONABLE and PRACTICAL.

2. All people with genuinely Woolly Hair by Nature are in the Ethiopian Race, and the Ethiopian Race EVERYWHERE is THE BEING we are most concerned about, not only because we are part of the Ethiopian Race but also because we find our Race in THE LOWEST POSITION of all the Races, and this is because our Race has THE LEAST CORRECT INFORMATION, which is another way of saying the least correct knowledge.

3. We Ethiopian scientists know that a person or race's physical position among others indicate his or its mental position among others. Therefore, since our Race holds the lowest position of the Races on Orb Earth, this means that our mental position is lowest, and until our mental position rises, we as a race can not raise our physical status. THE ELEVATOR of our mental status is NINE KNOWLEDGE, and the Nine Knowledge needed at this time is LIBERATION INFORMATION, for Ethiopians are now in captivity (mentally and physically) to ALIEN FORCES and ADVERSE FORCES.

4. The booklets called THE NINE BALL will present the highest quality of reason and thereby the highest form of knowledge by Nature available to Wooly-Haired People on Orb Earth at this time for liberation purposes. The highest quality of reasoning in existence is NINE REASON, and the highest form of knowledge is NINE KNOWLEDGE -- the offspring of Nine Reason. Nine in anything is the highest, for there is no digit higher than NINE. Nine is the origin of the Ethiopian Race, and Nine is THE SUNS of THE UNIVERSES, including the Sun of our Solar System. The only way one can tap the living mind of Nature is with Nine Reason.

5. Too much stress has been put on the physical by Ethiopian organizations and not nearly enough on the mental is why we have not progressed properly toward liberation, for REAL LIBERATION is MENTAL as well as PHYSICAL SEPARATION from ADVERSE FORCES, and the mental separation comes FIRST. There is no such thing as a successful physical liberation without first having a mental liberation. When we achieve mental liberation, then physical liberation will come natural [in] the rate of the Ethiopians make effort in accord with Nine Knowledge, that is, liberation information.

6. The Ethiopian Race is confined in a prison of alien culture and buried in a grave of adverse ignorance, and this alone is enough to keep Wooly-Haired People in captivity to enemy forces, so the booklets entitled THE NINE BALL are designed to help destroy the mental grave and prison limitations on the minds of Ethiopians that we will liberate from those who would keep us captive. The mental process is the road to liberation, and that mental process may scientifically be called MENTAL LIBERATION - the purpose of these booklets.

7. We Ethiopians scientists do not expect ALL Wooly-Haired People to be receptive to Nine Reason and Nine Knowledge. It will take time for some to understand, and there are others who will neither understand nor care, but those among us who are intelligent by Nature will understand, accept, and adhere - these are the ones we are searching for, for these are the survival and future of the Ethiopian Race. No one can make another intelligent; a person must be born intelligent, and the intelligent among us are the only ones who can liberate self. No one can liberate a person; a person must liberate self by understanding, accepting, and following LIBERATION KNOWLEDGE.

8. Mental liberation knowledge informs us that before Woolly-Haired People were called NEGROES by Caucasians, we were called ETHIOPIANS, and before we were known as Ethiopians by the Greeks, we were called NUBUNS by the Ancients. The words Ethiopian and Nubun are the same in meaning. They both mean ETHER - the life-giving, light-giving burning energies that the Sun produces called PROMINENCES and SUNSHINE. The Caucasian (the white man and woman) never taught BLACK PEOPLE that Sunshine is Ether, because, if they had, some of us would have been able to reason out our origin many years ago, but one of Caucasian purposes is to keep Ethiopians ignorant so we can be used against ourselves for Caucasian benefit and well-being.

9. Remember, when we say Ethiopian, we are not referring only to Woolly-Haired People born in the State of Africa known as ETHIOPIA, but Woolly-Haired People wherever they are, namely, all people in THE ETHIOPIAN RACE. The root of the word ETHIOPIAN is the word ETHER, and it means our origin is THE SUN, because the Sun is NINE, and NINE ETHER SUN produces the Ethiopian Race. The Nubuns, our...

[Page 8 is blurred beyond reading]

11. The blackness that the Caucasian gets by basking in the Sun is temporary, for as soon as he or she quits basking, that person starts getting paler. But it is different with the Ethiopian; our blackness is inherent from the Sun, that is, our being the Sun's original offspring. He empowered us Ethiopians with the same powers that He has - the power to be Black and produce Black offspring. In other words, our skin is Black because, like the Sun we Ethiopians have in our reproductive system and marrow of our bones what called SUN HEAT GENES, and these Sun Heat Genes become part of the blood and they emanate outward to the skin, and our Sun Heat Genes burn the skin BLACK. The more Sun Heat Genes one has the blacker that person will be. Therefore, BEING BLACK IS BEING SUPERIOR in color, because THE SUNS of the Universes are JET BLACK, and they are superior to all other universal bodies. Hence, Black is not only beautiful but also the best and purest of THE COLORS.

12. The Sun is male and Mother Earth is female. The Sun gives off Ether in the form of what is called PROMINENCES. The Sun has antennae called GRANULATION, and Ethiopians' Woolly Hair looks like that granulation. So our Woolly Hair may correctly be called GRANULATION (using an English expression). If one puts a straight strand of hair closer and closer to a fire, that strand of hair will granulate, that is, ball up because of the potency of the heat. The Ethiopian carries his and her SUN within, and we appeared on Planet Earth at a time when no other race could survive in the earth's atmosphere, because just after creation the atmosphere was too dense and potent for the weakness of human beings called MANKIND. Mankind is all peoples with straight hair by Nature. The Ethiopian became identified with mankind down through EVOLUTION.

13. Moreover, the Sun Heat Genes in those who had to live in the Earth's ORIGINAL ATMOSPHERE had to be much stronger than those of mankind who came much later. In other words, the Sun Heat Genes in THE AFRICAN PYGMIES were so dense and potent in their bone marrow and reproductive system, they turned the hair KINKY, as fire does to a straight strand of hair. Hence, Woolly Hair is superior to straight hair, as the Suns are superior to other universal bodies. Woolly Hair by Nature assures the Ethiopian that he and she are the Originals on the Planets, thereby the original personifications of the Suns. We bigger Ethiopians evolved from the smaller Ethiopian now called THE AFRICAN PYGMIES who live in EQUATORIAL AFRICA.

14. We reiterate, the only people who could survive in the Earth's original dense and hot atmosphere just after the fiery Creation were those who had Sun Heat Genes within so strong that they would kink the hair, and those people were our ancestors, the African Pygmies. Black skin is Sun skin and Woolly Hair is Sun Hair. The Sun is Nine and NINE is THE BALL which may conveniently be drawn as the

circle (O). In ancient times, the African Pygmy was called PTAH and worshiped as the personification of the ORIGINAL CREATOR. The Pygmies are from the Sun and we are from the Pygmies, and this means we bigger Ethiopians are the Sun, too. We are EVOLUTIONARY PTAH. Mother Earth gave birth to our ancestors, the African Pygmies, from the Source of the Nile on the Equator in Africa. The eggs of Mother Earth in the Source of the Nile River were impregnated by Nine Ether rays from Father Sun, the Nine Power. Like the Sun, Woolly Hair symbolizes potency, life, and originality. The Ethiopian is the only one of the Races who grows his and her CROWN by Nature; Woolly Hair stands up like a crown, and this makes the Ethiopian the NATURAL King and Queen of the Universes by Nature. This is a brief INTRODUCTION TO NINE, Ethiopian, and Nine is your own Woolly-Haired self.

B. NINE REASON

15. Show us a person or a race who has lost his or its ability to reason soundly and we will show you a person or race in degradation as compared to the highest standards of Nature. There are SEVEN senses - SEEING, FEELING, TASTING, HEARING, SMELLING, THINKING, and REASONING. What divides the animal world from the world of Ptah (the Ethiopian Race) is the Woolly-Haired Person's capability to reason soundly when that person is in his right mind, that is, when the Ethiopian is in his and her own knowledge and own cycle. The highest form of reason is NINE REASON.

16. Mankind and all other animals can exercise the first six senses but only PTAHKIND is capable of experiencing Nine Reason, THE SEVENTH SENSE. Mankind has the capability to do heavy thinking, but Nine Reasoning is above the level of mankind's mentality, and this is why mankind admires and worships all intelligent levels SEVEN AND ABOVE. Mankind intelligence stops at six, because the mentality of the animal world ranges from zero to six. Mankind is the head and king of the animal world. The animal world is the ZODIAC in flesh and blood. The word Zodiac means existence and unity of animals.

17. THINKING is THE STRAIGHT-LINE MENTAL PROCESS of the chemicals of brain matter, whereas REASONING is THE CIRCLE MENTAL PROCESS of the chemicals of brain matter. The straight-line mental process is mental exercise based on a higher percentage of negative brain matter than positive, and the circle mental process is mental exercise based on a higher percentage of positive brain matter than negative. Reasoning employs the natural ability to determine what is right or wrong, what is true or false by the Nature of Nature. Thinking is the exercise of brain matter in mental death, and reasoning is the exercise of brain matter in mental life. When MORE negative brain matter is active than positive brain matter, the mind is MENTALLY DEAD, and when the reverse exists, the mind is MENTALLY ALIVE.

18. Reasoning is thinking above the animal level. Nine Reason is the highest form of mental process. Nine Reason is the mind of the Original Creator, the True Stars, the Suns. Nine Reason is THE ELEVATOR of Ethiopian minds, and Nine Knowledge (the knowledge that Nine Reason produces) is THE LIBERATOR of our minds, and vice versa. A person sees, hears, feels, tastes, and smells with his or her mind via the NERVES SYSTEM which is the network and tentacles of the brain. When the Ethiopian Race lost its ability to reason soundly by way of the Evolutionary Forces, servitude was inevitable. Leviathan, the Zodiac, is the Evolutionary Forces.

19. Ethiopians, our ability to reason soundly called NINE REASON has returned, and Nine Reason is THE EMANCIPATOR, because it determines for us what is right or wrong, true or false, and thereby provides the correct information necessary for our liberation guidance. Only those who can reason ninely and those who can understand and follow Nine Reasoning will survive World War III and be the future of the Ethiopian Race, because only those who can Reason ninely or follow Nine Reasoning

are intelligent enough to do what is necessary for survival. Nine Reason is the Ethiopian in his and her right mind.

C. NINE KNOWLEDGE

20. Knowledge is knowing. Knowledge is scientific information. NINE KNOWLEDGE is CORRECT SCIENTIFIC INFORMATION. By scientific information we mean knowledge proven by Nine Reason, experience, or evidence, or any combination of these three factors. By scientific knowledge we mean information proven and organized in such sequence as to put the mind in proper order. Nine Knowledge is the best information attainable in the Universes. Nine Knowledge is THE LEADER and LIBERATOR and ELEVATOR of the Ethiopian Race - all Woolly-Haired People who have the ability to understand Nine Knowledge and adhere to it.

21. Nine Knowledge is Ethiopian Knowledge by Nature, composed and disclosed by Ethiopians, that is, Woolly-Haired People. One of the major enemies of the Ethiopian Race is IGNORANCE. The words CAIN and NEGRO spell the word IGNORANCE, because Cain (which is short for Caucasian, the white man) produced ignorance and created the mental dependent called NEGRO. The enemy of an intelligent mind, is ignorance, therefore, Nine Knowledge provides the mental strength necessary to fight off this natural foe and help prepare a protective defense against it. Universal and natural knowledge to be known as Nine Knowledge is THE RESURRECTOR of the mental dead called NEGROES.

22. Nine Knowledge deals in ORIGINS, because origins are the beginnings of beings, and in beginnings are found the true Nature of all beings. One does not really know a person, place, or thing until he knows the true Nature of that person, place, or thing. Knowing and disclosing the true Nature of persons, places and things are Nine Knowledge, the Ethiopian's universal science. It is vital to Ethiopian survival and well-being that we know and identify ourselves, know and identify others including our enemies, know and identify our surroundings and everything affecting our present and future. These booklets entitled THE NINE BALL will provide us with this survival and liberation information.

23. KNOWLEDGE is correct information, WISDOM is knowing how, where, and when to use knowledge, therefore, it is the correct use of knowledge, and UNDERSTANDING is the receiving of knowledge via the Senses and is the unity of knowledge and wisdom. Hence, knowledge, wisdom, and understanding are our ROAD to liberation. Knowledge, wisdom, and understanding are the definition to the Ethiopian Universal Science NUWAUPU Just as Nine Reason is the Ethiopian in his and her right mind, Nine Knowledge is the Ethiopian in his and her right guidance.

24. Never accept a speaker's or writer's information until you know his definitions of the key words he or she uses, for then and only then do you know what he or she actually had in mind when the person spoke or wrote. Always demand clear definition for all power and key words and phrases in any information on liberation or any other vital issue, for this is the only way there is ever a true meeting of the minds between the speaker and listener or writer and reader, and a true meeting of the minds is necessary to help you determine and conclude whether a speech or writing is right or wrong, true or false. Let these booklets be YOUR GUIDE on DEFINITIONS

D. NINE LIBERATION

25. Of course, NINE LIBERATION is Ethiopian liberation - the liberation of people with WOOLY

HAIR. LIBERATION for a person, persons, or race is MENTAL and PHYSICAL SEPARATION from ADVERSE FORCES. FREEDOM for a people or race is having the PRIVILEGE and POWER to MAKE ITS OWN LAWS. Hence, freedom can come only to those people who achieve liberation from captivity. The Ethiopian Race is not only physically captive to MANKIND but also captive to his CULTURES and INVENTIONS, and this means Woolly-Haired People are mental captives to adverse forces as well as physical. Mental captivity is the worst kind of captivity because it means that the captive is mentally dependent on the captor. Mankind is all peoples with straight hair by Nature.

26. We Ethiopian scientists know that the mental person controls the physical person, meaning, the mind of a person controls his or her activities, therefore, if the mind is ignorant, the activities of that person will be the works of ignorance. On the other hand, if the mind is knowledgeable, the activities of the person who possesses it will be sensible. Unfortunately, however, we have in our Race, as in all races, persons who are unintelligent by Nature, and there is little or nothing can be done for these people but let them destroy themselves together with the adverse forces.

27. The mentally dead Ethiopian is a slave to fun, folly, foolishness, and ignorance. He and she are slaves to EXCESSIVE sex activities, meaning, having more sex than is necessary for natural balance between the physical and mental. Any Ethiopian who is a captive to religion is not in his or her right mind, because religion is a product of mankind for mankind's ultimate aims. Ethiopians are captives to strong drinks, narcotics, and all other vices forced upon us through ignorance and oppression. Woolly-Haired People are slaves to alien culture, that is, we wear other races' names, claim other races' religions, histories, and others identities. We can never be liberated as long as we do this, because there is no such thing as physical liberation before mental liberation, for mental captivity keeps us in physical thralldom.

28. In the United States of America, Caucasian people (ghost people called white people) are the number one alien and adverse force to Ethiopians, and second in line is the ignorance of all sorts which they forced upon the Ethiopian. Third in line of adverse forces are those people of other races, and some in our own race, who are dedicated to help maintain and perpetuate Caucasian culture and way of life in Ethiopian communities. If a person does not have genuinely KINKY HAIR (KINGY HAIR) by Nature, he or she is not a member of the Ethiopian race, and is an alien plant and alien seed in our communities. The Caucasian uses the adverse forces in our communities to lead or mislead us to deeper stagnation and suppression. These adverse forces show up as ALIEN POLITICIANS, ALIEN PREACHERS, ALIEN EDUCATORS, et cetera. Those who are not Ethiopian in our communities are ALIEN FORCES who are helping to destroy our Race through miscegenation with our beautiful Ethiopian females.

29. We can not rule out poverty and disease as adverse forces, and these also are products of alien enemies and their polluted atmosphere. Neither Caucasians politics, Caucasian religion, nor alien education is the solution to our racial, social, and world problems; our own culture and creativeness are the solution, and the intelligent among us will not allow those Ethiopians among us who are working (knowingly and unknowingly) for the preservation of mankind's civilization, to tell us any thing different. Ethiopian independence of thought and independence of action are our way out of prison. The real solutions to our racial, social, and world problems and the road to creativeness and independence is NINE REASON, NINE KNOWLEDGE, WISDOM, and UNDERSTANDING, working together with our CYCLE and SEASON by Nature.

30. If we need something we must work and get it or create it. So long as we remain mentally dependent on other races to do our thinking and plan our progress, that is how long we will remain in the GHETTOES and SLUMS and the POVERTY and DISEASES that they produce, and mental dependence presupposes physical dependence, therefore, mentally dead Ethiopians say that we can not make it without Caucasian guidance, not understanding or caring that Caucasian guidance is basically

the leadership (together with his helpers of other races) that degraded us into the miserable status quo in which we find ourselves. Ethiopian goals must be self control and community control and control of our own destiny, and this means controlling the businesses and all activities that go on in our areas including our children's education which must be compiled, organized, and established by us Ethiopians in our own power and our own system. Our own Ethiopian Culture will make us masters of our own DESTINY, and this is independence and freedom.

31. Africa is wherever we Africans are located in our RIGHT MIND. Just as it is misleading to urge Woolly-Haired People to think that Caucasian politics or religion is the solution to our problems, it is likewise misleading to urge them that moving from one place to another is the solution, because, when people are misinformed that a boat is coming for them, this takes away their initiative and incentive to do something productive and constructive for themselves right now where they are. So they just wait and wait for nothing, pining away in ignorance, idleness, and vague rhetoric.

32. Our Ethiopian ancestors (the African Pygmies) in their aeriform (Nine Ether) GREW the Universe and the Universe is the Suns, Planets, Satellites, et cetera, so why should we EVOLUTIONARY PTAHS confine ourselves to one spot on this Planet when our ancestors made it and we were in North America long before the Indians. However, it is reasonable and practical that as our own cultural resurrection progresses, many Ethiopian farmers, tradesmen, technicians, and all types of workmen necessary to help build the economic and military independence of our motherland Africa, will repatriate to that continent in their right minds for that purpose.

33. Since evolution is REVERSING, the Caucasian (the ghost man and woman, the white man and woman) will start returning to the graves and caves from whence they came, and this means the atmosphere of the present cycle will continue to grow stronger making us wiser via Nine Ether, our Ethiopian Forces in Nature. The foregoing means that Caucasian ruling power will decrease and Ethiopian ruling power will increase as we Ethiopians rise like the Sun from the grave of ignorance called MENTAL DEATH. The Caucasian is too powerful to fight him with arms at this time, so, our answer is fighting ignorance with knowledge and destroying idleness with productive constructive activities. Ignorance and idleness are two VERY destructive forces which are very detrimental to our progress toward liberation. We Ethiopians can not afford ignorance and idleness and achieve the independence of mind and body we need for survival and proper well-being.

E. NINE ETHER

34. NINE ETHER is the mental power and chemical forces that GREW the Universes. Nine Ether is THE COMBINATION of ALL EXISTING GASES and CHEMICALS. Nine Ether is THE ORIGINAL FORCES OF ORDER. In the form and formula of Nine Ether, our Ethiopian ancestors GREW the Universes and then personified themselves as AFRICAN PYGMIES at the Source of the Nile in equatorial Africa. Nine Ether began as a SPONTANEOUS FIRE in Primeval Chaos and grew bodies for itself called TRUE STARS or SUNS, one of which is THE SUN of our Solar System. Ethiopians are personifications of the Suns, because our energies grew the Suns.

35. Nine Ether produced the bodies of the Suns and in turn the Suns produced Nine Ether. The Suns are self-created, meaning, self-grown and are also self-existent. Nine Ether is BLACK, therefore, the bodies of the Suns are Black (JET BLACK). Nine Ether is the power of Nine Reason which produces the power of Nine Knowledge. There is no other power or force strong enough or wise enough to mentally and physically liberate the Ethiopian from his and her grave of ignorance and prison of serfdom but Nine Ether the Ethiopian Forces in Nature. Nine Ether is our powers in Nature and by Nature.

36. When we Ethiopians lost our power to reason soundly, Nine Ether is what we lost. When we Ethiopians lost our spirit power, Nine Ether is what we lost. Nine Ether is THE SCIENTIFIC AND SPIRIT POWER of Ethiopians by Nature, meaning, Nine Ether is our TRUE NATURE. The Power Nine Ether helps us make Ethiopian history and restores Ethiopian culture, and this means mental liberation, and mental liberation in turn begets physical liberation. The solution to our problems must be one which will work for us worldwide because our racial problems are worldwide. The REASONABLE and PRACTICAL worldwide solution is MENTAL LIBERATION which produces ETHIOPIAN CREATIVENESS (the ability to create everything we need) and ETHIOPIAN INDEPENDENCE (the ability to think independently and act independently of other races).

37. All power begins in THE MIND, be it political, economic, military or scientific, because the body is just a framework and tool for the mind, therefore, THE PRIME POWER is MIND POWER from which all other powers develop and mature, including the power of liberation. Nine Ether develops Nine Reason, Nine Reason develops Nine Knowledge, and Nine Knowledge develops NINE MIND POWER which is prerequisite to Ethiopian mental and physical LIBERATION.
